Exchequer has closed his part: 24 through gate. \$230 in gate fees -\$110 in expenses (food and biffy)

Total profit was about \$120. All NMS sent to kingdom with gate fees.

Overall thoughts: Nice small event but we are ready for something bigger next year

Move our event to June.

Event closed.

Demo Sept 14 CLOSED 9/24

Thoughts & Wrap up?

They liked us there and asked for us to return next year. If we do it, we need signage. Gave out about 22 cards. Lots of interest in Youth martial activities. The music was too loud and aimed right at us.

May decide to skip a year if no more interest....

DEMO Stuff: Signage, Arrow making, games, arts similar to what folks out in the country already do, More youth items. Fighting and try on armor
